Stop Work Authority

Anyone can stop unsafe work. No questions asked.

DO

- Stop work if conditions are unsafe
- Tell your supervisor and the HSE team
- Resume only when the hazard is controlled

DON'T

- Do not continue when unsure
- Do not be afraid to speak up
- Do not ignore a colleague's stop call

ALL DEPARTMENTS

In An Emergency, Call Security Duty

One call. One number. Immediate help.

DO

- Call Security Duty first, then follow instructions
- State location, what happened and number of injured
- Stay on the line until told to hang up

DON'T

- Do not hesitate or delay the call
- Do not move a casualty unless in danger
- Do not leave the scene unattended
